La chanson de l'étape

I Could Have Danced All Night

Bed? Bed -- I couldn't go to bed
My head's too light to try to settle down
Sleep? Sleep -- I couldn't sleep tonight
Not for all the jewels in the crown!

I could have danced all night
I could have danced all night
And still have begged for more
I could have spread my wings
And done a thousand things
I'd never done before
I'll never know what made it so exciting
When all at once my heart took flight
I only know when he began to dance with me
I could have danced, danced, danced..all night

Bubba: It's after three now
don't you agree now
she ought to be in bed
Lauren: I could've danced...
B: Your time is up
L: all night...
B: You must be dead
L: I could have danced...
B: Your face is drawn
L: all night...
B: Your eyes are red
L: And still...
B: Now say goodnight
L: have begged...
B: please, turn out the light
L: for more.
B: please, it's really time for you to be in bed
L: I could have spread...

L: my wings...
B: do as you're told
L: and done a thousand...

L: I'll never know what made it so exciting
When all at once my heart took flight
I only know
